

Partnering - Platforms & AI

Novartis is driven by a bold vision to transform patient outcomes by harnessing cutting-edge platforms and AI to tackle society's toughest healthcare challenges. With deep scientific expertise across diverse modalities—including Cell & Gene Therapy, Radioligand Therapy (RLT), and xRNA—Novartis accelerates drug discovery and development through rigorous data-driven innovation and advanced AI applications. We actively seek like-minded partners to scale breakthrough therapies and platforms, leveraging our global network and proven deal-making leadership to bring game-changing solutions to patients worldwide.
